

Getting started with your team

Make some time to discuss the topic of social safety among yourselves. Use existing team meetings for this or organize a special themed meeting. There are different formats you can use, both online and in person.

Dialogue format based on **Deep Democracy**.

For this, you can use, for instance, the statements from the *This is us* campaign.

I can indicate my boundaries

I am not afraid to be open and honest with the people I work and learn with

I am not afraid to speak up if I see something happening

I understand what I can and cannot say

Game '**Should be OK**' – [Koerskaart \(NL\)](#) / [CourseCard \(ENG\)](#) (online or in person). Discuss how you can improve the atmosphere and pleasure at work.

I am not judging you, am I? The Dilemma Game (in person) - [The Dilemma Game \(DU/EN\)](#). Aims to spark discussions on issues related to diversity and inclusion and helps to find solutions together.
